Playful learning adventures for children aged 2-7

Reading, word building, sentence building, maths, writing and tracing in one parent-guided digital product.

R99 / month	Digital access	South African product

www.oatlekids.co.za

AGES 4-7

Reading and word building

Recognise letters, build everyday words and complete missing-letter activities through a playful space journey.

Explore together on a phone, tablet or computer.

AGES 4-7

Sentence building

Move from individual words to arranging and writing simple sentences, with activities that can be revisited at each child’s pace.

Explore together on a phone, tablet or computer.

AGES 4-7

Maths and discovery

Practise counting, number recognition, shapes, addition and subtraction in colourful interactive missions.

Explore together on a phone, tablet or computer.

AGES 4-7

Writing and tracing

Trace letters, numbers and shapes, then practise making words and sentences with guided activities.

Explore together on a phone, tablet or computer.

AGES 2-3

Little Explorers

A gentle parent-guided introduction to colours, shapes, early discovery and simple learning routines.

Explore together on a phone, tablet or computer.

Clear monthly access

Oatle Kids is offered at R99 per month in South African rand. A parent creates and manages the account, accepts the subscription policies, and completes payment securely through PayFast. Digital access is activated after successful payment confirmation.
